Request for Participation in Disclosure Document Program:

Disclosure of Nuhim Heifets (or Nukhim Kheyfets)

Your Name(s)

Entitled: Transmission Mechanism From Pistons

Title of Disclosure

Sir:

Attached is a disclosure of my above-entitled invention (consisting of 3 sheets of written description and 3 separate drawings or photos), a \$ 10 check, a stamped, addressed return envelope, and a duplicate copy of this letter.

The undersigned respectfully requests that this disclosure be accepted and retained for two years (or longer if it is later referred to in a paper filed in a patent application) under the Disclosure Document Program and that the enclosed duplicate of this letter be date stamped, numbered and returned in the envelope also enclosed.

The undersigned understands that (1) this disclosure document is neither a patent application nor a substitute for one, (2) its receipt date will not become the effective filing date of a later-filed patent application, (3) it will be retained for two years and then destroyed unless it is referred to in a patent application, (4) this two-year retention period is not a "grace period" during which a patent application can be filed without loss of benefits, (5) in addition to this document, proof of diligence in building and testing the invention, and/or filing a patent application on the invention, may be vital in case of an interference, and in other situations, (6) if such building and testing is done, signed, and dated, records of such should additionally be made and these should be witnessed and dated by disinterested individuals (not the PTO), and (7) if any public use or sale of the invention is made in the U.S., or any publication is made anywhere, no valid patent can be granted on the invention unless a patent application is filed on it within one year of any such public use, sale or publication, regardless of the filing date of this Disclosure Document.

Very respectfully,

Signature of Inventor
